Your area at Croft state park is TERRIBLE. Yesterday alone two horses fell on kids, one throwing a child through the arena fence! The reason is the crappy footing you refuse to do anything about

Monica Overmyer 🤔 maybe you need new horses

Robyn Fahnle Monica Overmyer ummm. No. How about a ring with no sink holes. My horses are world national champions thank you. Unless you have first hand knowledge of the arena you can keep your opinion of my horses to yourself.

Stan Bell I have first hand knowledge of the Arena, and it is a local Equestrian club that is in charge of maintaining the Arena and Show Rings.
