Tony,

I'll forward to Elizabeth for follow-up but what these folks are asking for is not respite; they are looking for care on a daily basis. This limits the assistance that could be provided through our programming.

I'll let you know the outcome.

Thanks,
Anne

Subject: Senator Alexander Constituents - Renz Family

Tony, I've attached the information Senator Alexander received from Mr. & Mrs. Paul Renz. The Renz's are in their seventies and have been caring for their disabled daughter since birth. I believe their daughter is 52 years old. Senator Alexander would like to know if the Renz family would qualify for assistance through the Office on Aging's family caregivers support program.

Please let me know if you have any questions or need additional information. Thank you for your assistance. Angie
