playful_wings Fur care? Rubbing on the grass???
at 23:23:11 on 10/28/2020 UTC

julgwes Do u think other animals come behind them and rub their scent on top of the otters?
at 3:10:34 on 10/29/2020 UTC

jeannienotjanie Do squirrels exhibit this same behavior? I have one that rolls around in a planter that we originally had catnip growing in.
