In Re: Titles of J. C. Artemus; Caroline Brown;
Equitable Trust Company of Columbia;
Celia Kitching; Caroline G. Thomas and
Nancy Watson, et al.

Gentlemen:

I have checked the above titles from July 15, 1939, the date of my abstracts to you, up to the dates of recording of the Deeds from the respective owners to The Housing Authority of the City of Columbia, which are as follows: C. E. Hinnant, Clerk of Court, to The Housing Authority of the City of Columbia, Deed dated November 4, 1939, recorded November 4, 1939 in Deed Book "DA", page 381; Caroline G. Thomas to The Authority, Deed dated September 16, 1939, recorded September 28, 1939, Deed Book "DA", page 305; Celia Kitching, to The Authority, Deed dated October 10, 1939, recorded October 11, 1939, Deed Book "EQ", page 388; Caroline Brown to The Authority, Deed dated October 3, 1939, recorded October 3, 1939, Deed Book "EQ", page 252; J. C. Artemus to The Authority, Deed dated September 28, 1939, recorded September 28, 1939, Deed Book "EQ", page 325 and Equitable Trust Company to The Authority, Deed dated September 16, 1939, recorded September 28, 1939, Deed Book "EQ", page 327.

The Deed from C. E. Hinnant, Clerk of Court, was given as result of Condemnation Proceedings brought by you and conveys the title of Nancy Watson, Alex Watson, Emma Coates, Minnie Jones, Kate Kershaw, Mattie Swygert, Willie Watson and other heirs of J. M. Watson. I have not checked the Condemnation Proceedings nor have I checked out any of the parties thereto other than Nancy Watson and W. M. or William Watson up to the time of his death. I am informed by the Master that he took additional testimony in the partition suit (set out in my Supplemental Report on Title of Nancy Watson, et al. conveyed to you on August 22, 1939) a few days ago, and has not yet written up his Report. It may be that your Condemnation Proceedings make the outcome of this partition suit of no concern to you, but I call your attention to the fact that it is not yet settled. The Master asked whether you wished him to recommend in his Report that title of the parties to the partition suit be deeded to Nancy Watson or to The Authority. The taxes owing on

November 13, 1939

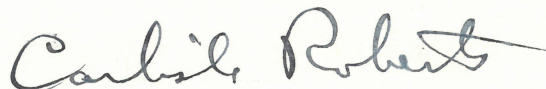

this land have not yet been paid.

As regards the other tracts of land, taxes except for 1939 have been paid and the mortgages called attention to in my earlier abstracts have been marked satisfied. There are no intervening liens by mortgage, deed, lis pendens or otherwise, unless it be for water rent, or for paving assessments against the property fronting on Calhoun Street. I understand that this street has been or is being paved but the assessment roll was not accessible on November 10, 1939.

I have checked all the Deeds into The Housing Authority and found them correct with the exception of the Deed to Caroline Brown which describes her lot as being bounded on the West "by property of Seegers"; I believe that this ought to be "by Seegers Alley".

With the exceptions hereinabove set out, it is my opinion and I hereby so certify that The Housing Authority of the City of Columbia has a good and marketable title in fee simple to the lots of land hereinabove mentioned.

Very truly yours,

Carlisle Roberts.

D. B. Belton, Parcel No. 9,	385.00

The following are our suggestions from whom to pick a Board of three. To our mind, Carwile and Bennett are probably the best qualified and have consented to serve. They will not, however, serve on the Board condemning the lands of Mr. Deal. We therefore suggest that you appoint the same Board for Clifton, Belton, Gates, Campbell and Cooper and we will have them all heard one day, and then appoint a different board, excluding Carwile and Bennett, for the Deal and Popwell cases.
