Subject: List of sites ready for no-cost testing

WorkKeys Express Score for SC.pdf

---

Attached is a list of sites that have completed their paperwork and been given the green light from ACT to begin testing.

I am attaching a copy of Express Score directions for those sites that currently have Express Score. I thought ACT would have included in their paperwork to sites but I'm getting feedback that sites are not receiving this.

Also, if conducting paper/pencil assessments, sites will have to order the ACT SC form from ACT. ACT has created an order form and again, I thought they would have provided directly to sites. When I get a copy from ACT, I will send out.

We're making progress. Let me know if you have any questions.

PS-I'M NOT SURE IF ANYONE ELSE HAS DONE THE NO-COST TESTING YET BUT GREENVILLE SCWORKS BEGAN THEIR TESTING TODAY. WOO HOO.
