Greetings,

The Historic Washington High School in Greenville, South Carolina building is slated to be demolished. The school was in operation from 1962 - 1969 and was a staple in the community, and during the civil rights movement were the roots for non-violent social change. Even though the brick and mortar will cease to exist, the Mighty Mighty Falcon Spirit will continue to live on.

The Greenville County Recreation Commission is set to erect a Legacy Monument on the old school grounds. To help commemorate this momentous occasion and our reunion, we will be printing a souvenir booklet. This event will take place at the 2014 Reunion Friday, June 7 2014.

We are requesting a letter from Governor Nikki Haley to insert into our booklet. Please help support this worthwhile event.

Sincerely

Rosa Devlin  
Washington High Alumni President
