Holly,

See attached the concept paper we developed. I don't know how helpful it will be for your Dad, but it would at least give him an idea as to what we would be looking for in developing a program for youth aging out of foster care.

BTW...in all that talk yesterday about money, billing and politics, what I didn't tell you is that I'm really looking forward to our working together again...it really makes me smile(and breathe a little easier) to think about your leading our lawsuit compliance efforts. I am looking forward to August 9, when Holly re-joins our ranks! Onward and upward!!

Thanks,

Susan Alford
