Amy and I have been friends for about 20 years. We've become close to her entire family. Amy has high moral standards and was excited about her opportunity to help advance educational opportunities for the children of Berkeley Co. This entire circus is a travesty of a system in utter chaos. Whomever started this witch-hunt is the one(s) who needs to be held accountable. For the life of me, I just can't understand how this could be happening.

This is a gross misuse of public funds. Punishment should always fit the crime.
