

The Anderson County Sheriff's Office Community Emergency Response Team (CERT) and the Mounted Search and Rescue (MSaR) Present their

# 2016 FULL - SCALE TRAINING EXERCISE

The Anderson County Sheriff's Office CERT and MSaR teams, in conjunction with local fire departments, EMS, Technical Rescue and law enforcement personnel, will be conducting their annual full-scale exercise this Saturday. This exercise will test the CERT and MSaR volunteers on their ability to establish a command center on-site for responder / volunteer accountability, resource management, search and rescue, medical operations, team organization, scene psychology, multi-agency collaboration and more.

The CERT and MSaR teams are comprised of volunteers and are resources available to any first responder agency in the event of missing persons, assistance with Firefighter Rehab, Traffic and Crowd Control assistance and more. For CERT and/or MSaR emergency assistance, please contact Anderson County 9-1-1 or call (864) 844-5005.
