Please schedule a meeting with Rob, Doug and Jeff to begin the process of reviewing the below correspondence from DSIT. Please have legal and office administration included in the review. Once ya'll come up with a plan to move forward, please prepare a report and submit it to my office, via my assistant KeKe, for my review. Then I will forward back to Rob and Halti so we can schedule a meeting to discuss and come up with a plan to proceed with this process.

Rebecca,

We have gotten some info on the LexisNexis account. There are three users on the account, all from the previous Governor's staff. The account is for the news service, and allows 5 users. I will submit your name and Rob to replace the old names. You will get an email from LexisNexis with user ID and password to log in and see what is available under the current contract. Are there any other names you would like to have added at the present time?

Thanks

Dick – Do you have some time today to discuss these accounts? Historically, I want to know our usership and costs associated with previous memberships. Please call me when you have time today. Thanks.
