I have a question regarding my sc state park pass. So earlier this month I bought a state park pass. I used it the day I bought it and that was it. Since then I have not been able to find my park pass. Is it possible to get a replacement park pass? Or am I out the \$99 I spent to buy my park pass?

Question do any of the sc state parks have any 4th of July events (such as fireworks) going on sometime during 4th of July weekend?
