Marcia,

In order to complete the comparsion study you requested, we need data for SC that you want us to use.

NC and VA are still working on their data for us. Again talking to both states this morning, NC and VA expect data to be furnished to me later today or tomorrow.. Several persons for both states are involved in collecting the requested data and some have been out of the office. My orginal requests to the states was submitted on July 2, 2003. I have had numerous e-mail followups and telephone calls.

Please reply back to Sandra with the data you want us to use with copy to me since I am having to leave the office sick .

As information, Sandra will be on leave commencing Thursday until next Wednesdy to be with her son who is to be deployed shortly to Iran.

Thanks, Fred
