Up for an AMAZING CHALLENGE RACE, March 4 at Myrtle Beach State Park? Grab a friend and encounter 19 fun and unique challenges on a 4.5 mile course around the park. The challenges are always a secret, but past challenges have included: digging a nest like a sea turtle, identifying park plants and animals, building a fire, erecting a tent, and much more! Whether your team runs or walks the course, we guarantee you won't encounter another event like this one! For more info: www.myrtlebeachsp.com
