## **Statement from the President's Committee for People with Intellectual Disabilities on the ACICIED Employment Report**

Last week, the [Advisory Committee on Increasing Competitive Integrated Employment for Individuals with Disabilities \(ACICIED\)](#) sent its [final report](#) to the Secretary of the U.S. Department of Labor. The issue of competitive integrated employment and meaningful lives for people with intellectual disabilities is a core value of PCPID's work, and the ACICIED heard testimony from several members of the President's Committee during their two-year-long deliberations.

The President's Committee for People with Intellectual Disabilities (PCPID) applauds the powerful recommendations in the report, and we congratulate ACICIED on completing this difficult work.
