Subject: Possible endorsements

Hey Chaney,

Since the governor didn't have an avail today, Brian told me to shoot you an email. Will the governor be making an endorsement in House 22 (Wendy Nannery v Jason Elliott) or Senate 2 (Larry Martin v 3 challengers)? Both incumbents stood behind her at the event and made their own remarks, and she praised them for their work on the 20-week abortion ban. They are both up in Tuesday's primary.

Also curious if she will decide to weigh in on Senate 6 (Mike Fair/William Timmons/Johnny Edwards) or Senate 12 (Lee Bright/Scott Talley/David McCraw/Lisa Scott).

Thanks,

Amanda C. Coyne
