Hey Katherine. My school safety client will be in town for lunch on Thursday Feb. 6th. I know the legislature is in session that morning. Would you be available for a few minutes that afternoon?

Thanks,  
Rex

Hey Katherine. Good to see you this morning at the caucus meeting. Per our discussion, I have a client The Protection Institute based in Charleston that is involved with school safety issues. I heard the Governor speak last week at BIPEC and I would love to run what they are doing by you to get your thoughts on their approach. They are unique in what they offer and after hearing the Governor's education agenda, I think it could be something for you all to be aware of. Let me know if you can meet with us and if so, some dates and times that you might be available.

Thanks,  
Rex
