To: Aasmo,

Hi Patrice!

My recommendation for Region I is Kurt Myers of PA. He's very sharp and well respected throughout the AAMVA and IRP communities.

Have a great weekend!
 Best,
 FP

Fred,
 Thank you for considering me. I had talked to Chuck a few weeks ago and told him I would be happy to serve if he had an identified need. Please feel free to forward my name.

Subject: AAMVA Business Opportunities Committee

Hi Kurt,

The AAMVA Chair appoints a Business Opportunities Committee, composed of an administrator from each AAMVA region, that works with AAMVA President/CEO Neil Schuster, and AAMVA Vice President for Products and Services Patrice Aasmo, to review and make recommendations to the international board of directors on potential revenue producing enterprises that the association may have become aware of.

The Region I position on this committee will be up for appointment at the close of this year's AIC in San Diego and a new appointee is needed. Would you be interested in serving in this capacity? It does not require a great deal of time. To date it has involved no travel, just a conference call preceding each AAMVA international board meeting (3 per year), and a little time on each member's part in advance of the call to review materials provided on potential business opportunities identified since the previous call.

Patrice will be talking with incoming International Chair Chuck O'Donnell on August 12 to discuss appointments for the coming year. Chuck and Patrice have asked me for a recommendation for Region I, and I think you would be an outstanding adjunct to this committee. I would very much like to recommend you as the Region I representative, if you would be willing to serve.

Please let me know your thoughts, and any questions you might have, regarding serving.

Thanks!
Fred
