Subject: open records request status

Rebecca and Brian –

Just checking back on the open records request I made for Gov. Haley's daily appointment calendar.

Can you update me on the status of that request? We made identical requests in every state in the country and SC is one of only five that we have not received the records for yet. We need to move forward with our story soon and hope to include Gov. Haley in the report.

Thanks for your help,

Lauren Seabrook
