Jim is in.

Can you get the others finalized? Also, are we going to add an agency head? I think we should.

Hi Jim,

Hope you are doing well! Ted Pitts gave me the very good news that you would be interested in serving on the Governor's State Employee Code of Conduct Task Force. I've attached it for your review.

This is a short-term task force (July 1, 2014 end date) with the goal of developing a Code of Conduct for state employees that the Governor would direct her cabinet to adopt. I think we would meet only a few times and we will provide material and proposals for the group to consider.

In addition to myself serving, current task force members are:

Inspector General Pat Maley  
Herb Hayden, Ethics Commission  
Ashley Cuttino, employee attorney with Ogletree Deakins  
Sam Wilkins, Budget and Control Board  
We will fill 2 more seats (agency head) and private sector HR representative

I look forward to working with you again!  
Swati
