

JOE WILSON  
UNITED STATES CONGRESS

Feb. 4, 2016

Dear Governor,

The President's State of the Union speech was so misleading I wrote a one minute to refute the "inconsistencies," I was concerned it was too harsh and then I saw the state smear of you and its unfairness prompted me to proceed with the truth,

NOT PRINTED AT GOVERNMENT EXPENSE

### STATE OF THE UNION INCONSISTENCIES

(One Minute Speech – February 1, 2016)

[Page: H377]

SPEECH OF  
**HON. JOE WILSON**  
OF SOUTH CAROLINA  
IN THE HOUSE OF REPRESENTATIVES  
MONDAY, FEBRUARY 1, 2016

---

Mr. WILSON of South Carolina. Madam Speaker, the President's actions are inconsistent with his words of the State of the Union.

His praise of job growth is undermined by ObamaCare, which the OMB has identified will destroy over two million jobs.

His concern for more gun control was a contradiction at the Capitol, which was properly awash with brave officers protecting everyone with guns.

His distortion of voter photo identification laws clashes with the requirement of visitor photo identification to enter the White House. Security to prevent voter fraud and security to prevent assault on our President are basic for democracy.

His professed opposition to ISIS terrorists is undermined by his pardoning prisoners from Guantanamo who will rejoin terrorists to kill American families using guns.

His devotion to Syrian refugees was sadly undermined by his failure to enforce a red line, resulting in children fleeing violence drowning at sea.

Finally, as I left the Capitol from the speech, I saw immediate inconsistency of a fleet of stretch limousines waiting for the President. As he attacked the oil and gas industry, he departed thanks to fuel developed by the oil and gas industry.

The President should change course for limited government and expanded freedom.

In conclusion, God bless our troops, and the President, by his actions, should never forget September the 11th in the Global War on Terrorism.
