"A Form of Witchcraft"

Formed

God formed man from the dust of the ground, or from the earth.

Artificial insemination = ~~is~~ done through a Syringe not a human member (Penis) one is natural insemination, the other "Scientifically" or ART (Witchcraft) ificially done.

Scripture speaks of these things that ARE injected into man; fear, worry, ANxiety, depression, ANGER, WRATH, Malice, bitterness, jealousy through a lack of knowledge on the issues or lack of light, followed by action, followed by recovery etc.,

Scriptures also MENTION those who try to

(OR block THE SUN)

destroy the earth And the light and health And prosperity that the earth's RESOURCES bring naturally without the interference of so called doctors.

This applies to religious wars, internal AFFAIRS, individual homes etc.,

As in families of drug Addictions, The PARENTS passed on these "traits" or practices AND WITHOUT CONSCIOUS AWARENESS of the effects of these actions, not only on ourselves but those around us, we continue in them producing the same results.

Without those who have knowledge of these things you can say "Knowledge of good and evil" that produces life - the former "Knowledge of good and evil" or as Scripture defines as the tree of knowledge of good & evil - You not suppose to touch ~~it~~ less you die - You die because it is the way to life. WHAT THE SCRIPTURE DOES NOT tell you is that - You not suppose to block it, or to touch it.

Scriptures Address this issue again in JOB WHEN ~~ALL THINGS~~ "THE LORD" ~~OR~~ ~~MAKING~~, SAW JOB WITH ALL THAT HE HAD, AND SATAN (- in Genesis he's called Adam)

SAW that JOB had knowledge of good and evil and shunned evil, so Adam says to the Lord, You've blessed him and given him all this stuff, which is why he hasn't cursed you. So the Lord permitted SATAN or Adam or Red or I would say speaking AS A MAN Jesus Obama and family, to take

away all that he had or threw him out of the garden of eden, or rather left him in the garden of eden but took away his sight, family, children and all he had worked ~~for~~ for.

The Lord told Satan touch everything around him but do not touch him personally or else you die. or eat everything around him but him do not lay a finger.

So far I see a lot of the world in disarray because of the lack of what Job had. Knowledge of good and evil; especially when it comes to the middle east and so called religious faith.

I also have this knowledge of good & evil and in 2008 all was taken from me. I believe that it will be restored as did Job's however I'm concerned about the US and the world. So I'll ask the question as a man. Have you considered Charles B. Hair. Still homeless and maintain my integrity and faith.

Sincerely
Charles B. Hair
