Join us at the 2015 IOGCC Annual Business Meeting with this year's chairman, Utah Governor Gary R. Herbert. The Annual Business Meeting will bring state regulators, federal officials and industry executives together to identify emerging challenges and address issues with real solutions.

The meeting is open to anyone to join the conversation and provide expertise to the projects.

Each IOGCC committee will develop tangible work products. Possible topics that will be covered include:

- Methane Emissions/ Flaring
- Aging Infrastructure
- Public Land Primacy
- Pooling and Spacing in Horizontal Well Development
- Emerging Technologies and Regulatory Challenges
- Produced Water
- Energy Education
- Endangered Species Act
