Subject: RE: SHIP/SMP Basic Training 2015

We would like to hold the training again in 2015. We have started a new partnership with the Savannah River Site Resource Center and have lots of volunteers 20-30 who want to get SHIP certified. I spoke to Tony in the past about possibility partnering with SRNS (the parent company at the Savannah River Site) to record the SHIP training with SRNS help. If possible can we have a phone conversation to discuss this more? Our SHIP contact person is Tina Swan.
Thanks! Mary Beth
