

Dear Governor Haley

NOV. 5 2015

Hi my name is Cody Wolf.
Since were doing the state
projects after christmas break,
I need some information, pictures,
and brochures of south carolina.
By the way I have two cousins
that live in South Carolina. And
they are older than me. Also I
go down there every year to
surfside beach. You know you
have a very nice state Governor
Haley. I hope you like my
letter.

Sincerely
Your friend
Cody Wolf
