Attachments: [Protest Time-05-06.xls](#)

Marcia, I have revised my time estimate for addressing protests during FY 05/06. In my first estimate, I did not take into consideration the resolution of each protest. As you will see, it makes a significant difference. Protests that are settled save a significant amount of time. Any questions, please call me at 737-0635.

My apologies for not thinking about this effect in the first info.
