LABOR DAY MESSAGE

This weekend, South Carolina citizens, as Americans everywhere, will observe Labor Day with their families and friends. It is my hope that each and every one of us will remember and take time out to reflect on the real contribution made to all of us by the working men and women of our State and Nation.

At the same time, I want to urge all who will be traveling on our state highways during this holiday weekend to observe the posted speed limits and proper rules of the road to insure the safety of their families, friends, and fellow citizens.

Last year, more than 500 Americans died on our Nation's highways - including 15 South Carolinians during Labor Day weekend. I sincerely hope and pray that such unnecessary tragedies will not be repeated this year.

I want to offer my sincere best wishes on this occasion to each and every South Carolinian. I hope that you all have a happy and safe Labor Day.

James B. Edwards
Governor
