 **robinhschafer** There are soooo many! One of my favorites is Table Rock. I snapped a great photo in the Fall with the beautifully colored leaves 🍁 reflecting onto the lake.

 **mary.poole** Lake Craig at Croft, especially at sunset or when it's foggy after rain ☺ there's so many other other beautiful places on the trails that stick out to me when I'm hiking but they change every time! That's the beauty of nature... you learn and see something new every time 🌟
