Haley

I have heard back from the family and they would like the one with the Palmetto tree. Please let me know if you have any more questions. Thanks again for your help. Murrell

Representative Smith,

I have attached two proofs for your review. The first attachment is the current paper and format used for Order of the Palmetto awards. The second attachment is on the palmetto background paper that I was able to locate in archives that is similar to Mr. Hester's award from 1986, but with a different format. Please let me know which award proof you would like me to move forward with or if you have any questions.

Thank you,
Haley

Please give me the exact name of how you would like it to appear in then OOP. The writing is difficult to read and they can't determine how to spell Lawrence/Laurence. Thanks

Good to hear from you, Paul. Often think of you and Peggy. All must be going well for you. Frances has been like a dog with a bone about that award and the mistake. She will not let it go. This is not a very clear picture but the best I could do. Thank you and Merrill Smith for whatever you can or can not do!
Love always, Bette
