**Subject:** Announcement: Free Resources from National Council of Certified Dementia Practitioners

---

Dear Systems Integration, ADSSP, and ADI Grantees and Community Partners,

Please find information below about free resources you may find useful in your work.

Thank you,  
National Alzheimer's and Dementia Resource Center  
(formerly the ADSSP National Resource Center)

The National Council of Certified Dementia Practitioners/International Council of Certified Dementia Practitioners are offering free in-services and a tool kit through March 15th which include Power Point downloads, handouts, pretests and post-tests to assist trainers in training staff, family, volunteers, first responders, students, members and congregations. Each in-service is designed to be taught in 30 minutes and some examples of what you may choose to download include: Elder Abuse and Medications, Broken Trust: Elders, Family and Finance-Financial Abuse and Sexual Violence in Later Life among others.

The in-services and tool kit were developed by NCCDP Alzheimer's and Dementia Staff Education Week February 14th to the 21st to bring national and international awareness to the importance of providing comprehensive dementia education by means of face to face interactive classroom environment to all healthcare professionals and line staff and to go above and beyond the minimum state requirements regarding dementia education.
