Subject: *DRAFT* ATTENTION: S.C. Governor's Office invite to attend cermonial bill signing

Good morning,

The South Carolina Governor's Office would like to invite representatives from your High School to join us for a ceremonial bill signing that focuses on concussions in student athletes. If you are able, we would appreciate principals, administrators, athletics directors, coaches, trainers and student athletes from all sports to join us for this important bill signing. Even though football is generally the sport that is most commonly associated with this bill, it is important to make sure that the dangers of concussions in youth athletes are a focus across all sports.

I've included some information about the bill below that you can forward on to any interested participants. Let me know if you need any additional information.

Best,

Jeff Taillon

Gov. Nikki Haley to sign concussion in student athletes bill

Governor Nikki Haley will sign H. 3061 which focuses on concussion awareness and prevention in student athletes at a ceremonial bill signing on Thursday, August 15, at 10:00 AM at Dorman High School, 1050 Cavalier Way, Roebuck, S.C. This bill creates a section of code targeted at reducing, identifying, and treating concussions in student athletes.

WHO: Gov. Nikki Haley

WHAT: Ceremonial bill signing on concussion awareness and prevention in student athletes

WHEN: Thursday, August 15, 10:00 AM

WHERE: Dorman High School Arena, 1050 Cavalier Way, Roebuck, S.C.
