Holly,

I hope that you and your family made it through the storm with no damage to your home. We all came out of this with nothing more than some minor inconvenience, and pride at how well the state and city has conducted itself in making sure everyone is safe. I know that is not true for so many people around the state.

I am trying to get a feel for all the benefits that the state may be applying for, and cannot find anything on the DSS site or Emergency Site about Disaster Food Stamps. I reached out to folks in DSS but realize they may be tending to personal matters. Do you know if it has been decided whether or not SC would apply to USDA for disaster SNAP benefits? This would be a big help for folks who have lost everything and are in need of help purchasing food. I would be glad to help with this in any way that I can. Look forward to hearing from you,

Sue
