## South Carolina State Parks

at 16:36:43 on 4/19/2010 UTC · 🌐

HAPPY MONDAY! We know a lot of you have been visiting our SC State Parks, so it's time to "State Park Your Profile Pic"! Change your profile picture in honor of SC State Parks and Earth Day this week to a photo taken in a SC State Park. Then, post in this thread and tell us at which park the photo was taken at. Can't wait to see them!

seamlessly. You guys really know what you're doing, all states should take notes from you.
