Subject: Praying for our country and its leaders this July 4 ~ Website email from William Leitner

---

Lt. Governor Bryant, Happy 4th of July - I am praying for our country and you. Thank you for serving in public office - you and your family have sacrificed to make this possible. I pray for you and your family, that y'all will be strengthened and protected by God our creator as you serve. I pray also that you would remember that our nation was founded on basic, profound principles of liberty and freedom. May your decisions, personally and politically, reflect the fundamental American values incorporated in the Declaration of Independence, signed on July 4, 1776: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness." May God bless you. I welcome your email request to [wleitner976@gmail.com](mailto:wleitner976@gmail.com) to let me know what may I especially pray for or about you and your family today. God is good all the time. William Leitner
