Good Afternoon Chaney Adams,

It's Fraendy Clervaud with WACH Fox News in Columbia, SC.

I hope your summer has been a good one.

I would like to request an on camera interview with Governor Haley as we approach the one year of South Carolina's deadly flood.

My story will focus on several elements.

1. The coordination of the several agencies coming together to help.
2. Community support
3. Recovery efforts
4. Where is SC now 1 year later

If possible could we conduct the interview at the Governor's Mansion anytime between September 12- 16th?

I look forward to hearing from you and working to make sure this interview is a success.

Have a good one.
