Sir,

Sorry. I just got back into the office. The stumper took care of the stumps with no problems. I would not have sent him if I thought we would damage your yard. Thanks for the business.

Respectfully,

Blake,

Do you think your grinding equipment will create ruts in the yard with the rain we have had lately?

Sir,

Good morning. The utilities should be marked by noon today. If it is okay, I will send our grinder after lunch to take care of the stumps.

Thanks,
