Garry,

I have sent the request to Dexter Lee with DOC. I've asked him to keep me in the loop.
Please let me know if you need anything else.
Hope all is well.

Thank you,
Katherine

I write in hopes of scheduling a meeting with you to discuss the South Carolina Department of Corrections, its operating processes, and pending legislation regarding the Department of Corrections, specifically House Bill 3131. My graduate courses in macro social work require civic engagement. To fulfill that requirement, I hope to meet with elected officials and operation directors in an effort to glean insight into political and operational processes in our local government. I humbly request the opportunity to meet with you at your soonest convenience to learn about your views on South Carolina's Department of Corrections. I would greatly appreciate the opportunity to meet with you or a member of your staff who could accurately convey your views. Thank you for your time and your service to our magnificent state. Below you will find my contact information. Again, thank you for all that you do and the opportunity to meet with you.
