## South Carolina State Parks

at 12:00:00 on 5/07/2014 UTC

**DID YOU KNOW?** The Great Egret was once nearly hunted to extinction. Their beautiful feathers were highly prized for decorations on hats. They are now the symbol of the National Audubon Society, which was founded to protect birds from being killed for their feathers. Currently the loss of their wetland habitat is the greatest threat to this magnificent bird.

**Kim Marler** Beautiful!
