Subject: Concussions Bill: Signing Ceremony

Mr. Stirling-

As you know, the Concussions Bill approved by the House and Senate awaits the Governor's signature. The National Football League and Carolina Panthers organization supported the legislation from its inception and provided expert testimony in support of the bill in both the House and Senate subcommittee hearings. Both organizations have a keen interest in furtherance of concussion prevention in all contact sports, including football.

In the event Governor Haley intends to sign the legislation, representatives of the National Football League have expressed interest in attending any signing ceremony held for the legislation. We are certain the Carolina Panthers would attend, as well. Please let us know if such a ceremony would be held and if so, the location and time.

Thank you for all you and Governor Haley have done to support youth sports in our State.

Ethan Ware.
