Subject: HELP Hearing tomorrow - Obamacare Oversight

Tony,

My apologies for the late notice on this email, but I think Senator Scott will likely be attending HELP Committee's FIRST Obamacare oversight hearing tomorrow, "A New, Open Marketplace: The Effect of Guaranteed Issue and New Rating Rules". The first panel's witness is Gary Cohen, Director, Center for Consumer Information and Insurance Oversight, Centers for Medicare and Medicaid Services, Washington, DC, he's the only witness we would be able to question.

I'm emailing you to see if you had any thoughts on some questions Senator Scott could ask on issues that are particularly important to South Carolina. Again, I apologies for the late notification, but we weren't quite sure he would be attending until a short while ago. Any thoughts you may have for us would be GREATLY appreciated as you have the greatest insight on these issues for our state and constituents and we want to make sure there is an opportunity to get any messaging you might have into the hearing. We would need anything you may be kind enough to send over before the 10am hearing tomorrow, really any time beforehand as I know how busy you are.

Thanks so much again for your continued help and thank you in advance for your thoughts. Talk to you soon!
