Today, there was a fire in the Southern Pines apartment complex, [350 Bryant Rd. in Whitney, SC](#). Multiple fire departments responded, along with Spartanburg EMS, Sheriff's Office, and the American Red Cross. The building was totally engulfed in flames upon arrival. Sixteen (16) units were destroyed and 40 occupants were evacuated.

Per Spartanburg County Coroner Rusty Clevenger, five bodies have been removed from the fire. No additional fatalities are expected. Positive identification of the deceased is pending.

The Fire Marshall's Office responded earlier today.

No State assistance has been requested. At this time, additional updates are not expected.
