Letter of Condolence - *Glenn Beck, Roger Ailes, and Megyn Kelly*

March 16, 2016

As a Glenn Beck and Fox fan I offer my condolences for the rotten campaign by Ted Cruz, your presidential choice. You made a Herculean effort to take Mr. Trump down. Yet Trump shellacked Ted over, over, and over. On March 15, 2016 Trump thrashed him 6-0! Mr. Trump won: [1] all 9 delegates of Northern Mariana Islands, [2] Florida's 99 delegates, [3] in North Carolina, [4] in Illinois, [5] Missouri's 42 delegates to Ted's 10, and [6] in Ohio Trump took second place with 35 percent to Ted's 13 percent. Associated Press (AP) reports the latest delegate count: Trump 673, Cruz 411 and Kasich 143. Look at election results.

Trump Victories

Ted's wins

NH, SC, NV, VT, MA,
VA, GA, TN, AL, AR [10 Wins]

IA, TX, AK, ME, OK
[5 Wins]

KY, LA, MI, MS, HI,
NC, FL, IL, MO, NMI [10 Wins]

ID, KS
[2 Wins]

Most of the 22 remaining states favor Trump. For example, RI, NY, NJ, CT, MD, PA, WV, DE, WI, CA, AZ, and NM. Ted expected to win VA, NC, SC, GA, FL, TN, AL, MS, LA, AK, and KY. Ted claimed the Southeast belonged to him. Yet he lost all eleven of these states and Trump won them. Mr. Trump beat Ted 20 to 7. Experts predict Trump to win a minimum of 15 of the 22 remaining states, ten are winner take all. Mr. Trump has pummeled Ted in number of [1] States, [2] votes, and [3] delegates.

God and the American people have spoken. They know Cruz is no leader. Please accept the will of the people. Ted has been widely rejected. Of the last ten contests Ted won just one, Idaho. Mr. Trump won eight. Kasich won one, Ohio, and he lost 32 contests. Rubio won one state, Minnesota. Mr. Trump has dominated and controlled this election cycle.

After Mr. Trump's 5-1 win on 3/15/16 Florida governor, Rick Scott endorsed Trump saying: "It is time to accept the will of the voters and coalesce behind Donald Trump." Put Ted to bed.

→ Consider South Carolina. The establishment endorsed Rubio and Bush. SC Rep. Trey Gowdy, SC Senator Tim Scott, and governor Nikki Haley endorsed Rubio. Senator Graham and former SC governor Stanford endorsed Jeb Bush. The SC electorate rebuffed them. Mr. Trump won in a landslide getting all 50+ SC delegates. Rich Lowery's National Review issued a trashy special Against Trump edition. America ignored it in toto. Mitt "Judas" Romney's philippic failed. Tens of millions in hate-filled TV ads boosted Trump's supporter numbers. Megyn Kelly's personal attacks on Trump has cost FOX millions of dollars, reduced their fan base, cut profits of Fox's sponsors. Fox had to cancel the March 21, 2016 debate because of Megyn's idee fixe on Donald J. Trump. She should apologize to Mr. Ailes and Fox viewers, then resign.
