Dear Governor Haley,

May God grant you peace!

My name is Father Francis Gasparik, President of St. Francis Food Pantries and Shelters in New York City.

St. Francis Food Pantries and Shelters support a network of Food Pantries, Shelters, Soup Kitchens, Safe Havens and Drop-In Centers. In our network, there are over 40 locations throughout the New York area. We help feed over 10,000 poor families each week. We also distribute free clothing, diapers and toiletries. In addition, St. Francis Food Pantries and Shelters have full-time social workers to serve our clients' needs. We serve over 1.5 million meals a year.

On Thursday, November 6, 2014 St. Francis Food Pantries and Shelters is hosting their **Fifteenth Annual "Doodle for Hunger" Celebrity Art Auction** at Pier 60 - Chelsea Piers in New York City. "Doodle for Hunger" is an exciting auction of original works of art by artists, entertainers, athletes, politicians and business celebrities.

We would like to ask you to support us by drawing a "Doodle" for our celebrity auction. The proceeds from your auctioned Doodle will benefit St. Francis Food Pantries and Shelters. Every dollar raised will be used exclusively for our mission.

We believe with your support, we can make our **"Doodle for Hunger XV" Celebrity Art Auction** another successful event, allowing us to continue our fight against hunger.

We hope you will join us in our mission to serve those seniors, children, men and women who hunger and thirst physically as well as emotionally.

If you would like more information regarding St. Francis Food Pantries and Shelters or you would like to attend our event, please call us at (212) 279-6171, or email Joseph Sano at joe@stfrancispantries.org.

May God bless and keep you.

ST. FRANCIS FOOD PANTRIES AND SHELTERS

"Feeding, clothing and counseling poor families"

St. Francis Food Pantries and Shelters is established to alleviate the physical and emotional hunger of the poor and needy in a dignified and supportive manner. St. Francis Food Pantries and Shelters takes a comprehensive approach in providing and supporting services that eradicate not only hunger, but the structural causes of hunger. There are over 40 independent feeding programs that form St. Francis Food Pantries and Shelters with over 1.5 million meals served throughout the New York area each year. St. Francis Food Pantries and Shelters supports a network of charitable programs that provide a broad range of services for those in need, including the provision of food, clothing, shelter, and related social services for the poor. St. Francis Food Pantries and Shelters also fights hunger through special events for those in need. Each location has customized its program according to the needs of the local community. Working together with the staff and volunteers at various locations to promote emotional and physical well-being through programs sponsored by banks, hospitals, social service providers, and the corporate community, St. Francis Food Pantries and Shelters raises awareness of the needs within the community and forges new relationships. In addition to feeding the hungry, St. Francis Food Pantries and Shelters works to eliminate hunger and its underlying causes by providing literacy programs, counseling for persons with addictions, support for victims of domestic violence, and training for those who help eradicate the various structural causes of hunger.
