Chaney,

This is the same statement that she sent out on Sept. 11.

Does she have any direct answers to my questions? Since this story continues to change, we would appreciate an updated opinion from your office.

Thanks,

Joyce

Joyce,

Below you'll find a statement from Governor Haley that should help you with what you need for your story.

Quote from Governor Nikki Haley: "The entire country was shocked by the videos showing Planned Parenthood employees' horrifying disregard for human life. That prompted me to ask our appropriate state agency to investigate whether such wrongdoing was taking place in our state. The Department of Health and Environmental Control (DHEC) has now completed its investigation and has concluded that all three abortion clinics in the state are in fact in violation of South Carolina laws or regulations. This is completely unacceptable. I fully support DHEC's actions, including its referral of the matter to SLED. South Carolina is a compassionate state, and we are a state of laws. We will not tolerate law breaking of any kind, particularly as it relates to the callous treatment of human life."

Thanks!

Chaney

Thanks, Chaney.

And can I expect the answers to the questions within the next hour?

Thanks, Chaney.

I forwarded that along to our other reporter.

Here are some of my questions regarding my planned parenthood story:

1. What does the Governor hope will happen during DHEC's meetings with Planned Parenthood and other facilities (happening today and tomorrow according to DHEC)?
2. What surprised the Governor the most out of DHEC's investigation of the clinics?
3. What would she like to see happen to the abortion clinics?
4. Planned Parenthood said they will dispute allegations that they "know are incorrect." Does the Gov. think DHEC could have had any political leaning/bias in their investigation because of her executive order?
5. What does the Gov. see as the ideal situation for both the clinics in the state, the women who those clinics serve, and the waste management companies?

Thanks again,

Joyce Koh

Joyce,

Attached you can find a letter from Gov. Haley to Chairman Cole and the Spartanburg county legislative delegation regarding refugee resettlement in the upstate.

Hey Chaney,

I hope you had a good weekend!

I gave Brian a call this morning but haven't heard back from him yet.

I am doing a follow up story on Planned Parenthood/DHEC, and another reporter here is doing a story on the Syrian refugees that could potentially settle in SC.

I would love to talk to the Governor about this. Would she be available for an interview today?

Thanks,

Joyce Koh
