Subject: Tonight on the ASK Show - Refugee Resettlement Program is coming to your community.

Set aside time to check this tonight...it will be an excellent opportunity for you to learn more about the Refugee Resettlement Program and the threats it presents to Spartanburg County, SC, and the nation.

Dr. Jeffrey is well informed. Be aware, be wise, don't believe the Lie about compassion and small numbers of refugees, and stand strong for our life, liberty and the pursuit of happiness.

Did you know that there is a strategy underway to hijack our votes, children, culture, church and country?

Are they in your Community? Neighborhood? State? Who are they?

"They" are mostly Muslim Middle East and African refugees...

Tonight we'll talk with Christina Jeffrey about the involvement of communities -- like Spartanburg, NC -- in the **Refugee Resettlement Program**. Dr. Jeffrey has been shining light into the darkest corners of this insidiously secretive plan to undermine and collapse our communities by bringing in these illegals, most of whom are Muslim.

These refugees are called "*seedlings*" who are brought here to be planted into US "*soil*" with the intention of reproducing and eventually taking over the communities in which they are "*planted*", further weakening the fabric and culture of our American society. They are not encouraged to assimilate, and they are immediately placed on the government dole, "compliments of American taxpayers.

1. There are an estimated 100k Somalian, 120k Iraqis (75% Muslim), and many other ethnicities that have been welcomed by the Refugee Resettlement Program into cities across America.
2. The Refugee Resettlement Program (RRP) is a Federal program that largely cuts states *out of the decision-making process* by partnering with NGOs and leftist religious organizations.
3. Under Obama/Federal law, this is LEGAL immigration! The goal this year is to bring in 65k Syrian refugees. Generally speaking, this LEGAL immigration system is as poorly administered as our borders are "guarded". There are 9 Federal contractors and 150 subcontractors (primarily NGOs and religious-left organizations - many of which are partnered with Islamist organizations) who are paid BIG bucks by George Soros and the Feds to "welcome" these refugees.

*"And if the program plays out in Spartanburg as it has in communities in Minnesota, California, Texas, Ohio, Illinois, North Carolina, Georgia, Florida and other states, then the 60 refugees will blossom into hundreds and eventually thousands every year. Minnesota, for example, is now receiving more than 2,000 Muslim refugees annually, mostly from Somalia. Texas receives more than 7,000 per year, and California more than 6,000, directly from the Third world." --WND.com <<http://--WND.com>>*
