I got this referral, from a woman and activist who obviously LOVES her job of trying to make sure EVERYTHING is done fairly! She referred me to you to perhaps intercede on my behalf of the following troubles which I am having, "Fighting" this 501(c)(3) tax exempt animal care and adoption center in Aiken, SC. So that I want have to re-type the following "details", Please read the below emails that I have already sent to many organizations for help and / or guidance in this OUTRAGIOUS behavior of this CEO of The Albrecht Animal care and adoption center, WHICH MY FAMILY ABD I HAVE ADOPTED 2 CATS BEFORE!! Please note, ALSO, that this a tax exempt 501(c)(3) animal adoption center which SHOULD put the law TOTALLY on my side!!

If you will not assign my issue to a lawyer, then could you please help me with the details of taking this to "small claims court" as an issue of mismanaging this 501(c)(3) tax exempt animal adoption center in Aiken, SC?

Thank-you for your time and hopefully your help,

CC and BCC: Potential other people who care about animals **and the LAW 501(c)(3) tax exempt status regarding charities**

This is Tim Bledsoe. I WANT TO THANK-YOU so VERY, VERY MUCH for your very informative return response email, below!! Just in the very short time since this email from you, "I WAS CALLED BY THE AIKEN, SC POLICE DEPT. GIVING ME "THE HEADS UP" THAT SHE, THE CEO OF THIS ANIMAL SHELTER, MAY, OR ALREADY HAS, ISSUED A RESTRAINING ORDER AGAINST ME **FORBIDDING ANY PHYSICAL, PHONE CALLS, NOR EMAILS CONTACTS TO THEIR 501(C)(3) TAX EXEMPT ANIMAL SHELTER!!**"

That it seems you are a fair and animal loving organization, I hope you will not be offended if I CC and BCC others about this OUTRAGIOUS AND GROSSLY UNPROFISSIONAL CONDUCT by this CEO of a 501(c)(3) animal shelter "WHICH I BELIEVE IS MENT TO FIND HOMES FOR ANIMALS!!" I am not a lawyer, but I believe this CEO's conduct, against me, has already BROKEN the spirit AND THE LAW which is what the 501(c)(3) tax exemption law is all about!

THANKS; AGAIN,

Hi Tim,

Thanks for sharing your story with us. Sounds like you've been through an emotional roller coaster. Please reach out to our support line for help at (800) 705-0425. We provide free counseling, support, and resources for people who help animals.

If I understand correctly, you were denied the right to adopt three senior cats when you have the means to care for them. This situation must be incredibly frustrating since you're offering to help these kitties from the goodness of your heart.

You can contact the Animal Legal Defense Fund, [www.aldf.org](http://www.aldf.org), for legal guidance. You may want to adopt from another rescue, which has different policies.

Please keep us posted by sending an individual email so we can best respond to your needs. We support your efforts to give these senior kitties a wonderful home!

In Solidarity,

Tim Bledsoe and Family,

About 2 months ago, I was contemplating, very difficultly, as to whether to go against my family's wishes "for no more animals", or to try and save maybe 2 or three cats from being left homeless. Currently, my family consists of me, my wife, our daughter, 2 "full-time" cats, and a rouge, part-time, cat that only eats and drinks water here. I truly believe that I am being led, called upon, beckoned to, or whatever your beliefs and / or religion refers to it as. I feel as if I am in "the Proverbial "between a rock and a hard spot"" situation. About 2 months ago, when my family was at the beach for 3 days, I had all of the details ready so that could bring the cats home without them knowing about it until it would have been too late.

As of right now, I have the very, very same opportunity. I want to go along with my family's wishes, BUT I also want to fulfill this "calling" that has been nagging at me, for what I truly believe that is THE OVER-ALL right thing to do!!

You may have noticed that my emails were for the animal shelter employees, BUT **it sure would make for "A CHRISTMAS" type of story if you newspaper editors could perhaps print this REAL story of "The IRON-FISTED" CEO's dictatorial thought process and let the public guess what will take place, "Good or bad" {Please read the CAUSTIC email, sent to me, by SUPPOSEDLY friend-to-animals} CEO of The Albrecht animal center in Aiken, SC (below )**

"My name is Timothy (Tim) Monroe Bledsoe of North Augusta, SC, (GOOD OL' PEACH AND B-B-QUE COUNTRY). Born and raised right here with-in 30 miles of North Augusta, the peach country of Johnston, SC! You'll know what, "It sounds like I am a runnin' for some kind of office, don't it??"

**I am, in fact, writing a letter, in the most modern year of 2017, that I thought I would never have to write, in as big of a public forum as I find myself NEEDING TO DO!!** Today, Monday, June the 5th; the day before my wife's and my 30th wedding anniversary, I was told, **IN NO UNCERTAIN TERMS, that I would NOT be allowed to adopt three "senior"; elderly cats that have needed good caring homes for quite some time now! And also,[PLEASE;AGAIN; READ HER CAUSTIC EMAIL ( BELOW ),] that I might never be allowed to adopt from The SPCA in Aiken, SC again! PLEASE, ( South Carolina Department of State,),"Correct me if I am wrong, BUT doesn't this type of "DICTITIOIAL BEHAVIOR GO COMPLETELY AGAINST TAX EXEMPT 501©(3) rules and regulations????!!!!** The reason given by this "DICTATORIOL" CEO of the Aiken's, SC SPCA was, "That my email to them explaining my family's hesitance toward adopting 3 "SENIOR" cats; which would probably have led; eventually; to some veterinarian bills. So some of the holding back, from my family, was of a financial worry. I, and I truly believe that my family, would have loved these 3 cats anyway, "in their golden years of happiness and carefreeness"; which; believe me, I know we ALL ARE looking forward to, AM I RIGHT or am I right?!! Now, this IRON-HANDED CEO of a charitable major affiliation, FORBIDS ME EVEN THE RIGHT to keep these animals up to 3 days in order to have A TRIAL RUN of acceptability or rejection, "Which by the way IS part of the "legalese" that BOTH parties MUST SIGN?!!" SO NOW I GET TO ASK, "WHERE ARE MY LEGAL RIGHTS TO HAVE THESE ELDERLY CATS FOR (((MY 3 DAYS)))?!! If you have ever had to fill out one of these adoption "PROMISSES" / agreements, THEN YOU would finally be able to see for yourself, what this clause of

semi-legal “legal-speak” allows them to “DECTATE” to you what you can and cannot do, and it gives them almost ALL of the legalities that can be enforced! And, **“why is it this way; you may be asking yourself,?!” Because we AMERICANS ARE SO, SO DILUTED; GULLABLE; AND BRAINWASHED: INTO THINKING THERE ARE ACCTUALLY “REAL, HONEST HUMANS” WHO CARE ABOUT THINGS SUCH AS NATURE AND HOMELESS ANIMALS “EVEN WITHOUT A TITLE OR TREMENDOUSLY, RIDICULOUSLY HIGH SALLARIES!!”**

Listen all of you out there, I don’t know how many of you have ever seen these regular Johns or Jimmys you-tube videos, (I believe one is a school principal), but after reading this letter and seeing some of these two men’s videos, “At least as for the point that I am trying to make with this letter about “THE ABSOLUTE GRAND CANYON GULTCH” difference of “MAKING” homeless pets stay HOMELESS OR letting warm human families try to bring some love and comfort to these aging, homeless pets, **“People, I want to ask you, will there ever be a turning around away from ”GROSS” stupidity back to a more normal way of thinking??!!**

“PLEASE, PLEASE”, people, if you possibly, possibly can, adopt or foster one or maybe more than one homeless animals. The JOY YOU WILL, AND I SAID; YOU WILL get from, AND; MAKE NO MISTAKE; THIS “DOES COST TIME AND MONEY”, BUT “IT IS”, “IT IS” THE WORK AND THE GIVING AND GETTING SO MUCH LOVE AND OTHER MARVELOUS THINGS THAT, QUITE OFTEN CANNOT EVEN BE EXPLAINED!!!!

**Please live well, and safe, and maybe adopt a four legged child.**

**This is Tim Bledsoe and family; again,**

**As** a final appeal for your understanding of my feelings about these 3 “senior and aged cats”, I actually adopted an 18 year old cat , “From this very same facility”, and my family tried to give her the BEST last years of her life. She lived, in a warm; loving home until, EVEN AFTER A CARING TRIP TO A KINDLY OLDER VETERANARIAN, SHE HAD TO BE “HUMAINLY” PUT DOWN DUE TO OLD AGE HAD HER NOT EVEN BEING ABLE TO WALK STRAIGHT NOR HOLD DOWN ANY FOOD. Her name was Molly, and we nicknamed her “Grandma” because she may have been old, BUT SHE WAS “FIESTY” UNTIL THE VERY END!!

---

I, as a cat lover, PLEAD with you to intervene, with me, to be allowed to appeal for the acceptance into our home for these 3 “senior and continuing to age” cats that need “a forever loving home!”
