Governor Haley, Elected Officials and call Media in South Carolina and America. Najeer Buggs a 14 year African American was murdered in The City of Columbia South Carolina on Grand Street as he walked home from Lorick Park Recreation Center on July 3 2015 bouncing a basketball. As of this date No arrest have been made. A car pulled up and shot this kid

Police say he was in no gang or criminal activity. His family is original from Bamberg South Carolina. People I'm from Greenville South Carolina. People this was an outstanding middle school student and did not deserve to die this way and this case have been ignored. If this had been a police shooting everyone would be screaming. This case deserve recognition and so do this kid. We are having a celebration of life on May 14 2016 at Lorick Park Recreation Center located at 1600 Lorick Avenue Columbia South Carolina at 2:00 pm. I have

walked daily the last three weeks door to door in Columbia South Carolina seeking justice for this kid and will return Saturday April 23 to Columbia walking seeking justice. I am African American and all lives matter. Please come to this event to support this cause. Jack Logan [8643031030 <tel:8643031030>](tel:8643031030)
