Subject: DSS motion to dismiss and memo

Swati – attached please find a proposed memo and a motion to dismiss the Governor from the DSS lawsuit. As we have discussed, it would be preferable to get another extension of our deadline to respond from plaintiffs' counsel so we can give the term sheet negotiations a chance to work, but since our deadline is Monday, we have to be ready to file if they won't give us an extension.

By copy to my assistant Gwen, I'm looping her in so she can make any changes you deem necessary, and so she can get these documents filed on Monday in necessary (you will recall that I will be in depositions in Raleigh all day on Monday). Let us know what you think. Thanks,

Butch
