Subject: SC Access Questions

Tony,

Thanks for talking with me this morning about the additional questions regarding SC Access. I am so excited about the possibility of making changes to better improve access to services and information for SC seniors. Here are the questions.

- What server hosts SC Access? Is it on state sponsored server or does the program run on a Vision Link server?
- What type of contract does the Office on Aging have with Vision Link? How long is the contract? Is there a cancellation clause? And are there any penalties for cancellation?
- How much is the Office on Aging currently paying for its license fee?

Look forward to hearing from you. Happy Friday.

Coretta
