Subject: Join Us 11/15 for a School Safety Discussion

Good morning Kevin,

I wanted to extend an invitation to an upcoming webinar discussion of the Rave Panic Button system, which was recently honored by the Southern Legislative Conference, receiving the STAR Award at this year's conference.

The webinar will be hosted by Chief Deputy Todd Johnson of Newberry County, and by Maureen Will, 9-1-1 Director in Newtown, Connecticut. While this event will provide the opportunity to learn more about the Rave Panic Button, it will also provide information from experts in the field of school safety around best practices, the importance of 9-1-1 as the epicenter of the response process, and the two will field questions from the audience, providing an opportunity to learn more about the implications of these programs as it relates to school safety policy.

You can register at the link below, and I hope you will join us at 2:00 pm Eastern on 11/15.

Please feel free to reach out to me directly with any questions, or if you would like to schedule time to discuss this critical topic in the meantime.

Sincerely,
Sean Lauziere
