Marcia,

Hey - don't worry about missing the meeting, although there were a couple of times that I did wish you were there :) Overall, I think the Q&A went well. There were 11 folks from the B&CB there, including Frank Fusco. We requested a lot of data from the B&CB and the CIO which I will present to the team next week, barring any delay on their part. If you have any questions or additional data requests that are near & dear to your heart, just let me know and I will see that we get it. Thanks.

Sarah,

I am sorry that I am missing the meeting. A national press conference was scheduled late yesterday to discuss REAL ID. I thought that I would still be able to make the meeting. However, the press conference is still going on - lots of questions. REAL ID is a very important issue for DMV so I am going to stay on the conference call.

Marcia
